We're prospecting for:

- Presenters, Genealogists, Authors, Historians, and Archivists who love the culture, history, or genealogy of the German-speaking peoples will find a receptive audience thrilled to be in a German-focused learning environment. The IGGP Conference is emerging as the pre-eminent German genealogy conference. Come and be a part of this fast-growing community.
- Presenters with specialized genealogical knowledge and skills or techniques that would benefit German and non-German researchers alike are invited to be a part of the 2019 conference as IGGP expands the selection of presenters and topics.
- Presenters with advanced proficiency in a niche or specialized area of ethnic-German genealogy will reach a target audience with critical mass in a conference of this scope.

Anticipated Tracks: History and Culture, Regional Focus, DNA/Technology, Advancing Your Research, and Eureka!

IGGP will offer a presenters' reception, an exceptional environment for instruction, expert technical support, and commensurate compensation.

"The entire conference was awesome. Great speakers, classes, and vendors. Amazing energy."

-- 2017 conference participant

"I attend conferences all the time. This one, by far, was the best in my lifetime of genealogical conferences."

-- Dr. Michael Lacopo, 2017 presenter
